Cyril Monroe - Attila the Hun: Accompanied by the Cyril Monroe Orchestra

Happy days are coming back again

Join with me and sing this sweet refrain

The government has got a five-year plan

That will relieve the Depression

No more starvation, emancipation is here

Public works are being started right away

So we have cause to be happy and gay

These gigantic things they're going to do

Will work fine for me and you

No more starvation, emancipation is here

A mammoth engineering job has been executed

I mean the harbor scheme that just been completed

Port of Spain will hold her place with ease

The premier city in the West Indies

No starvation, emancipation is here

Soon a marked improved change we all will see

A happy tidal wave of prosperity

We'll be able to maintain our family

In comfort and luxury

No more starvation, emancipation is here

ANY, 1930S

In Germany in the 1930s, propaganda was in full swing and being used by Hitler's advisers to call the German people to arms and spread lies about the Jews. One of the most famous artists behind Nazi propaganda was Hans Schweitzer, known as "Mjolnir." This poster by Hans Schweitzer shows the typical pro-Nazi theme of the German army's strength, depicting an S.A. man standing next to a soldier. The text reads, "The guarantee of German military strength!"

Last Hope: Hitler was used in the presidential elections through its great depression. Nazi propagandists targeted the German people who were unemployed and living on the breadline, and they suggested Hitler as their way out, their savior.

...t of the Jews, blaming them for all of Germany's
...re entitled, "He is guilty for the war." This was the key
message of Hitler to start his campaign of terror and for the ethnic cleansing that ensued. Almost
the entire campaign from beginning to end was driven by the artist Mjølner. Just as the media
molds public opinion today, Mjølner most definitely molded the opinion of the German people
through his designs. There is no doubts about the immorality and emotional deception of these
designs; they are still worth mentioning because they were extremely powerful and effective at
the time.

So long sad times
Go long bad times
We are rid of you at last

Howdy gay times
Cloudy gray times
You are now a thing of the past

Happy days are here again
The skies above are clear again
So let's sing a song of cheer again
Happy days are here again

Altogether shout it now
There's no one
Who can doubt it now
So let's tell the world about it now
Happy days are here again

Your cares and troubles are gone
There'll be no more from now on
From now on ...

Happy days are here again
The skies above are clear again
So, Let's sing a song of cheer again

Happy times
Happy nights
Happy days
Are here again!

Get Along Little Doggies – Traditional American Cowboy song

While I was walkin' one mornin' for pleasure
I spied a young cowboy just ridin' along
His hat was thrown back and his spurs were a jinglin'
And as he approached he was singin' this song
Yippy ti yi yo get along little doggies it's your misfortune and none of my own
Yippy ti yi yo get along little doggies you know that Wyoming will be your new home
[guitar]
Now, early in spring we'll round up the doggies
Mark 'em and brand 'em and bob off their tails
Round up the horses load up the check wagons
And follow the doggies on the lonesome old trail
Yippy ti yi yo get along little doggies...
[harmonica]
